EINDHOVEN, THE NETHERLANDS

PE2EVO gladly confirms our 2-way QSO as stated below in the CPR-code of the I.A.R.C. **Presentation of this QSL-card will grant you free entry to the EVOLUON.**

Our station is intended for experimental use on all amateur wave bands. We are part of and located in the EVOLUON, Eindhoven, the Netherlands.

The EVOLUON, opened in 1966 on the occasion of the 75th anniversary of Philips Industries, is a permanent exhibition 'Mankind & Progress', the evolution of Man, science, and technology. The PE2EVO station proves to be a topic for the 500,000 people who annualy visit the exhibition.

PE2EVO will appreciate awarding Honorary Membership to amateurs at over 20 miles distance, and who contacted the station on at least 5 bands, if confirmed through the exchange of QSL-cards. They will be granted
